

COCOA BEACH NETWORK NEWS

**PUBLIC INFORMATION & NEWS BULLETINS
FOR COCOA BEACH CITIZENS**

Cocoa Beach Network News is produced by the City of Cocoa Beach Public Information Office. The purpose of this electronic news publication is to provide Cocoa Beach Citizens with timely information on topics of interest and/or concern via e-mail. For citizens wishing to subscribe to this free service, please visit www.cityofcocoa.com/subscribe or call (321) 868-3329.

211 or 632-6688 Are Numbers for Reporting Oil-Related or Tar-Ball Observations on Brevard's Beaches **Citizens Should Not Pick Up, Handle or Touch Oil Samples**

"211" or (321) 632-6688 are the telephone numbers to call in Brevard County with regard to reporting oil sheens, tar balls, oily products, oily birds or wildlife on Brevard's beaches.

Brevard County Emergency Management has partnered with Keep Brevard Beautiful and 211 Brevard to establish a Coast Watch program. Through the Coast Watch program, managed by Keep Brevard Beautiful, volunteers are monitoring our shorelines on a daily basis.

Much like law enforcement's Crime Watch program, citizens are encouraged to observe and report, but not to get physically involved. Citizens should not touch or handle oil products or oily wildlife if/when found on area beaches.

For more information on how you can help please dial "211"
