## **Hurricane Katrina Relief**

Rockledge, FL— The citizens of Brevard County have a tremendous history of helping those in need. In an effort to assist in the Hurricane Katrina Relief effort the Space Coast Fire Chiefs Association will partner with the American Red Cross and United Way. This partnership will allow individuals to make financial donations to either of these organizations at their local fire station.

This will provide a convenient method to make a contribution for this massive relief effort as we help those less fortunate. With the impact of last year's hurricane fresh in our minds we have many reasons to be thankful and our hearts go out to those impacted by this event.

We ask that donations be in the form of a check made payable to either the American Red Cross or the United Way and that the memo field be listed as Hurricane Katrina to ensure the contribution goes to this effort.
