WORLD'S LARGEST SWIMMING LESSON at the COCOA BEACH AQUATIC CENTER on TUESDAY, JUNE 14th at 11:00am

The Cocoa Beach Aquatic Center will be an official host location for the *World's Largest Swimming Lesson* on Tuesday, June 14 from 11:00am to 12:00 Noon. The aquatic center will join more than 100 aquatic facilities around the globe to set a new *Guinness World Record* for the largest simultaneous swimming lesson ever conducted to build an awareness about the vital importance of teaching children to swim to help prevent drowning.

The World's Largest Swimming Lesson was created as a platform to help aquatic facilities and the many different regional, state, national and international water safety and drowning prevention organizations work together to build awareness about this issue. Gold Medalists Janet Evans and Rowdy Gaines are championing the effort to help convey that a loss of life from drowning can be prevented through awareness and training. As parents, both athletes feel a strong commitment to teaching children how to be safe in and around the water.

This "free" activity is sponsored by the City of Cocoa Beach and supervised by our staff at the aquatic facility on Tom Warriner Boulevard (next to the Cocoa Beach Country Club complex).
