

Base Realignment and Closure Topic of Cocoa Beach Area Chamber of Commerce April Luncheon

The Department of Defense Base Realignment and Closure (BRAC) process and its potential impact -should it affect area military bases- will be the topic of discussion at a luncheon hosted by the Cocoa Beach Area Chamber of Commerce later this month.

Lynda Weatherman, Executive Director of the Space Coast Economic Development Council, will outline the BRAC process and provide information on current efforts by the EDC's Space Coast Defense Alliance.

The chamber encourages all citizens of Brevard County to become knowledgeable about the BRAC process and its potential effects on the Space Coast economy, should Brevard lose one, or more of its military installations. We are asking for your help in promoting this important luncheon to your constituents. This is a topic that could possibly affect all of us in Brevard County.
