Dear Mr. Billias:

On January 19th, 2008, Bright House Networks will begin transmitting BPS TV and Space Coast Government TV, in a digital format. In order to view these channels, either a television set with a digital tuner, or a digital cable box will be required. If there are city facilities that need digital boxes to view these channels, please send me a list of locations, the number of boxes per location and contact information for each location. The first box at each location will be provided at no charge. Each additional box per location will cost \$ 1.00 per month. We plan to start installing the boxes January 7, 2008. We will contact each location prior to install. Please respond via email (Jim.Platman@mybriighthouse.com) , fax (757-3470) or mail service by January 4, 2008. If you have any questions, please contact me at 757-6375.

Sincerely,

A handwritten signature in black ink, appearing to read "James Platman".
