

WHAT IS UNITED WE PAINT AND HOW CAN I HELP?

UNITED WE PAINT

UNITED WE PAINT is a county-wide community-outreach volunteer project made possible by a coalition of community-conscious companies who care enough to give back to their communities. Homes owned by low-income seniors, those physically/mentally challenged, and disadvantaged families will be painted by hundreds of volunteers. In addition, volunteers will paint the exterior of public schools, day care centers, and senior centers.

Community-conscious companies provide the necessary funding to revitalize Brevard County. The Cumulus Family of radio stations including 1560 AM, 107.1 FM, 102.7 FM, 95.9 FM, and additional companies including Florida Today make this community outreach project a reality.

You can help in two ways. To help paint with us on Saturday, October 23rd, complete the volunteer application inside. You can also help by nominating a home, school, or building in need of painting.

HOW CAN I VOLUNTEER?

Volunteer your time to help paint a low-income senior's home or a public school/building.

INDIVIDUAL OR FAMILY VOLUNTEER

If you are an individual with a desire to help those in need, then your help may be needed for day-of painting and/or project planning.

All volunteers receive:

- Volunteer Certificate
- Volunteer T-Shirt
- Breakfast & Lunch
- Invitation to a post-event appreciation party
- FREE food, beverages, entertainment, awards to celebrate at party!

GROUP OF VOLUNTEERS

If you want to join our efforts as a company or group, please complete the volunteer application and we can assign your group to your own home or school depending on the number of volunteers you provide.

WHO PAYS FOR ALL THE PAINT AND SUPPLIES?

Our supporters pay for the hundreds of gallons of paint, plus numerous brushes, rollers and sundries that are needed to beautify the homes, schools and buildings. There are absolutely no costs to the school districts or communities in need!

HOW CAN I NOMINATE?

Nominate a needy home, school, or building for a free exterior beautification painting.

HOMES

Any homeowner residing in their home as their principal place of residence is eligible to be considered, providing the following conditions are met:

- Must live within the communities selected for beautification. (See website for details)
- Priority given to those with total household income of less than 125% of federal poverty level.
- Home must need exterior painting, but be free of any major needed repairs.
- Homeowner must be incapable of completing exterior home painting on their own due to physical or mental challenges or financial reasons.

SCHOOLS, DAY-CARE CENTERS, SENIOR CENTERS

Any public school, day-care center, or senior community/recreation center is eligible for consideration, providing the following conditions are met:

- Must be located within the communities selected for beautification.
- School/building must need exterior painting, but be free of any major needed repairs.
- School principal/district or building manager must approve volunteer painting project.

Nomination Process

There are two tiers to the nomination process. The first tier in is a Marketing / Media campaign that starts in May. During this campaign we ask for our audience to nominate a low income senior or someone in need on our 4 radio stations; 107.1 A1A, 102.7 Hit Kicker Country, 1560 WINT and 95.9 Pirate. Additionally, we place display ads in the Florida today and Senior Life newspapers and offer a United We Paint website.

The second tier consists of us developing partnerships and alliances with government agencies, such as the Brevard County Housing and Human Services, Social Service organizations such as Meals on Wheels; organizations that deal directly with people in need every day.

We receive nomination forms via web-site, e-mail, fax and mail. We then send out qualification forms to each nominee in order for us to learn of their income, disabilities, illnesses and conditions. After reviewing the returned qualification forms, a preliminary inspection of the homes, and a brief interview with the homeowner is conducted.

60 Pre-qualified homes are then selected by the United We Paint organization.

In late August, an Advisory Board comprised of organizers, sponsors, government agencies and non-profit organizations holds a luncheon. We show a power point presentation showing pictures of the 60 nominees, their income, disabilities, illnesses, and some pictures of their homes.

Based on the presentation, the Advisory Board members then take the sixty nominations, score each home, and ranks the top 20.

The top 20 homes are given a final technical inspection to test for lead in the home and a final interview with the homeowner is given to find out if they will truly appreciate this opportunity. Once a final round of inspections and interviews is completed for each home, the list of the 20 homes to be beautified on Paint Day is published.
